MANAGEMENT INFORMATION CIRCULAR

GENERAL INFORMATION RESPECTING THE MEETING

Solicitation of Proxies

This management information circular (“**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of Rhyolite Resources Ltd. (the “**Corporation**”), to be used at the annual and special meeting (the “**Meeting**”) of holders (“**Shareholders**”) of common shares (“**Common Shares**”) of the Corporation, to be held on December 13, 2019, at the hour of 9:30 a.m. (Vancouver time) at the offices of the Corporation located at Suite 1703, 595 Burrard Street, Vancouver, British Columbia V7X 1J1 or at any adjournment thereof for the purposes set out in the accompanying notice of meeting (the “**Notice of Meeting**”).

The board of directors of the Corporation (the “**Board**”) has fixed the close of business on November 8, 2019 as the record date (the “**Record Date**”), being the date for the determination of the registered holders of Common Shares entitled to receive notice of and vote at the Meeting, unless a Shareholder has transferred any shares subsequent to that date and the transferee shareholder, not later than 10 days before the Meeting, establishes ownership of the shares and demands that the transferee’s name be included on the list of Shareholders. Duly completed and executed proxies must be received by Computershare Trust Company of Canada, Attention: Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, not later than forty eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Vancouver, in the Province British Columbia) prior to the time set for the Meeting or any adjournment or adjournments thereof.

The instrument appointing a proxy must be in writing and must be executed by you or your attorney authorized in writing or, if you are a corporation, under your corporate seal or by a duly authorized officer or attorney of the corporation.

The enclosed instrument of proxy (the “**Instrument of Proxy**”) is solicited by the management of the Corporation. **The persons named in the enclosed Instrument of Proxy are directors and/or officers of the Corporation (the “management designees”). As a Shareholder submitting a proxy you have the right to appoint a person (who need not be a Shareholder) to represent you at the Meeting other than the person or persons designated in the Instrument of Proxy furnished by the Corporation. To exercise this right, you should insert the name of the desired representative in the blank space provided in the Instrument of Proxy and strike out the other names or submit another appropriate proxy.** In order to be effective, the Instrument of Proxy must be mailed so as to be deposited at the office of the Corporation’s transfer agent, Computershare Trust Company of Canada (“**Computershare**”), Attention: Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Vancouver, in the Province of British Columbia) prior to the time set for the Meeting or any adjournment or adjournments thereof. Registered Shareholders may also use the internet at www.investorvote.com to transmit their voting instructions.

Unless otherwise stated, the information contained in this Information Circular is as of November 8, 2019.

Persons Making the Solicitation.

This solicitation is made on behalf of management of the Corporation. The Corporation will bear the costs incurred in the preparation and mailing of the Proxy Form, Notice of Meeting and this Information Circular. In addition to mailing forms of proxy, proxies may be solicited by personal interviews, or by other means of communication, by directors, officers and employees of the Corporation who will not be remunerated therefor.

In accordance with National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation. The Corporation intends to pay for the costs of an intermediary to deliver proxy-related materials and a voting instruction form to non-objecting beneficial owners of securities (“**NOBO’s**”).

The Corporation does not intend to pay for intermediaries to deliver proxy-related materials or Form 54-101F7-*Request for Voting Instructions* made by intermediaries to the objecting beneficial owners of Common Shares (“**OBO’s**”) and as such, OBO’s will not receive such materials unless their intermediary assumes the costs thereof (OBO’s and NOBO’s are herein collectively referred to as “**Beneficial Shareholders.**” See also “*Advice to Beneficial Shareholders*” in this Information Circular.

The Corporation will not be providing the Notice of Meeting, the Information Circular or the Instrument of Proxy to registered shareholders or Beneficial Shareholders through the use of notice and access as such term is defined in NI 54-101.

Advice to Beneficial Holders

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name. Beneficial Shareholders are advised that only proxies from Shareholders of record can be recognized and voted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity.

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the Instrument of Proxy provided directly to registered shareholders by the Corporation. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered shareholder, should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance. All references to Shareholders in this Information Circular and the accompanying Instrument of Proxy and Notice of Meeting are to Shareholders of record, unless specifically stated otherwise.

Revocability of Proxy

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered Shareholder or the registered Shareholder's authorized attorney in writing, or, if the registered Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare, at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the registered Shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Exercise of Discretion by Proxy

The persons named in the Instrument of Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Instrument of Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy Form, the persons named in the Instrument of Proxy will vote the Common Shares represented by the Instrument of Proxy for the approval of such matter.

At the time of printing of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed Instrument of Proxy to vote the Common Shares represented thereby in accordance with their best judgment on such matters.

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders who choose to submit a proxy may do so by completing, dating and signing the enclosed Instrument of Proxy and returning it to the Corporation's transfer agent, Computershare, by fax at 1 (416) 263-9524 or 1 (866) 249-7775, or by mail or by hand to Computershare Trust Company of Canada, Attention: Proxy Department, 100 University Ave., 8th Floor, Toronto, Ontario M5J. Registered Shareholders may also use the internet at www.investorvote.com to transmit their voting instructions.

The proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used. Failure to complete or deposit a proxy properly may result in its invalidation. The time limit for the deposit of proxies may be waived by Board at its discretion without notice.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without nominal or par value and an unlimited number of preferred shares (“**Preferred Shares**”). As at the date hereof, there are 52,047,200 Common Shares and no Preferred Shares. Each Common Share entitles the holder thereof to one (1) vote on all matters to be acted upon at the Meeting. The record date for the determination of Shareholders entitled to receive notice of the Meeting has been fixed as the close of business on the Record Date. All such holders of record of Common Shares are entitled either to attend and vote at the Meeting in person the Common Shares held by them or, provided a completed and executed proxy has been delivered to the Corporation’s transfer agent, Computershare, within the time specified in the attached Notice of Meeting, to attend and vote at the Meeting by proxy, the Common Shares held by them.

Registered holders of Common Shares of record as at the close of business on the Record Date are entitled to vote such Common Shares at the Meeting on the basis of one (1) vote for each Common Share held except to the extent that: (i) such Shareholder transfers his, her or its shares after the close of business on the Record Date; and (ii) such transferee, at least ten (10) days prior to the Meeting, produces properly endorsed share certificates to the secretary or transfer agent of the Corporation or otherwise establishes his, her or its ownership of the Common Shares, in which case the transferee may vote those Common Shares at the Meeting.

The by-laws of the Corporation provide that the quorum for the transaction of business at any meeting of the Shareholders shall consist of at least two (2) persons present in person or by proxy, being shareholders entitled to vote thereat or a duly appointed proxy holder or representative for a shareholder so entitled and holding or representing by proxy not less than five percent (5%) percent of the outstanding Common Shares entitled to vote at such meeting.

To the knowledge of the Board and the executive officers of the Corporation based on publicly available records and previously provided information, as at the Record Date, no person, firm or company beneficially owns, directly or indirectly, or controls or directs, voting securities carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation, other than as set forth below:

5. Re-Approval of Stock Option Plan

The Corporation has a stock option plan (the “**Stock Option Plan**”) previously approved by the shareholders of the Corporation on October 19, 2018. A copy of the Stock Option Plan is attached as Exhibit “A” to the Corporation’s Management Information Circular dated September 16, 2016 and filed on SEDAR at www.sedar.com on September 26, 2016. The Stock Option Plan is incorporated herein by reference.

Pursuant to the policies of the TSX Venture Exchange (the “**Exchange**”), listed issuers are permitted to have “rolling” stock option plans reserving a maximum of 10% of the issued shares of the issuer at the time of the stock option grant. The Stock Option Plan is considered to be a “rolling” stock option plan and pursuant to the policies of the Exchange, the Stock Option Plan must be approved annually by the Shareholders. That approval is being sought at the Meeting and accordingly the Shareholders will be asked to consider and, if thought appropriate, approve an ordinary resolution reapproving, adopting and ratifying the Stock Option Plan as the Corporation’s stock option plan.

The Stock Option Plan provides that the Board may from time to time, in its discretion, and in accordance with Exchange requirements, grant to directors, officers, employees and technical consultants to the Corporation, non-transferable options to purchase Common Shares (“**Options**”), provided that the number of Common Shares reserved for issuance will not exceed 10% of the issued and outstanding Common Shares. In addition: (i) the number of Common Shares reserved for issuance to any one consultant will not exceed two percent (2%) of the issued and outstanding Common Shares; and (ii) the number of Common Shares reserved for issuance to persons providing investor relations activities will not exceed two percent (2%) of the issued and outstanding Common Shares. Options must be exercised by the legal representative of the optionee within a

reasonable period following cessation of the optionee's position with the Corporation, provided that if the cessation was by reason of death, the Option may be exercised within a maximum period of one year after such death, subject to the expiry date of such Option.

The exercise price of the Options shall be determined by the Board, subject to applicable Exchange approval, at the time any Option is granted. In no event shall such exercise price be lower than the "Discounted Market Price" (as such term is defined in Exchange policies). Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which Options shall vest and the method of vesting or that no vesting restriction shall exist.

The text of the ordinary resolution which management intends to place before the Meeting for the approval of the Stock Option Plan is as follows:

"BE IT RESOLVED as an ordinary resolution of the Corporation that:

1. the stock option plan of the Corporation, in substantially the form as attached as Exhibit "A" to the management information circular as of the Corporation dated September 16, 2016 (the "**Stock Option Plan**"), and the Stock Option Plan be and is hereby ratified, approved and adopted as the stock option plan of the Corporation;
2. the form of the Stock Option Plan may be amended by the board of the directors, in its sole discretion, in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval from the shareholders of the Corporation;
3. all issued and outstanding stock options previously granted, be and are continued under the Stock Option Plan and are hereby ratified, confirmed and approved;

In order for the foregoing resolution to be passed, it must be approved by a simple majority of the votes cast at the Meeting by the Shareholders voting in person or by proxy.

Unless otherwise directed to the contrary, it is the intention of the persons named in the enclosed form of proxy to vote proxies in favour of the ordinary resolution approving the Stock Option Plan for the ensuing year.

6. **OTHER MATTERS**

Management of the Corporation knows of no amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting accompanying this Information Circular. If any other matter properly comes before the Meeting the Instrument of Proxy furnished to the Corporation will be voted on such matters in accordance with the best judgment of the persons voting the proxy provided, however, that the persons voting the proxy shall not be permitted to vote for the election of directors where a proposed nominee does not stand for election or is unable to serve as such, or any other matters prohibited by applicable law.

COMPENSATION OF EXECUTIVE OFFICERS AND DIRECTORS

1. Compensation Discussion and Analysis

Name Executive Officers

The following discussion describes the elements of the Corporation's executive compensation program, with particular emphasis on the process for determining compensation payable to the President and Chief Executive Officer and the Chief Financial Officer of the Corporation. The Corporation does not have any other executive officers that receive compensation.

In this Circular, "**Named Executive Officer**" means each of the following individuals:

- (a) each individual who, in respect of the Corporation, during any part of the most recently completed financial year, served as chief executive officer, including an individual performing functions similar to a chief executive officer;
- (b) each individual who, in respect of the Corporation, during any part of the most recently completed financial year, served as chief financial officer, including an individual performing functions similar to a chief financial officer;
- (c) in respect of the Corporation and its subsidiaries, the most highly compensated executive officer other than the individuals identified in paragraphs (a) and (b) at the end of the most recently completed financial year whose total compensation was more than \$150,000, as determined in accordance with subsection 1.3(5), for that financial year;
- (d) each individual who would be a named executive officer under paragraph (c) but for the fact that the individual was not an executive officer of the Corporation, and was not acting in a similar capacity, at the end of that financial year;

As of the year ended June 30, 2019, the Named Executive Officers of the Corporation were Richard A. Graham, the President and Chief Executive Officer and John Downes, Chief Financial Officer of the Corporation. As at the date hereof, Mr. Graham and Mr. Downes have not received any salary, share-based awards, non-equity incentive plan compensation, pension value or other compensation other than option-based awards. Mr. Graham is also a director of the Corporation. Other than as disclosed below, Mr. Graham has not received any compensation in his capacity as a director of the Corporation.

Overview and Objectives of Compensation Program

One of the Board's mandates includes the review and setting of executive compensation. The Board, in arriving at its compensation decisions, considers the long-term interest of the Corporation and its stakeholders, and its historical and current stage of development.

The Board has decided that until the Corporation acquires another interest in a mineral property or business (an "**Acquisition**"), no compensation will be provided to the Corporation's directors or officers other than by way of Options issued pursuant to the Stock Option Plan, excluding compensation that was paid to the former President and Chief Executive Officer of the Corporation (see "*Statement of Executive Compensation – Summary Compensation Table*"). However, in the future, the Board may decide that prior to completing an Acquisition; the Corporation should pay compensation to its directors or executive officers other than solely by way of Options. No compensation whatsoever was granted to the directors and officers of the Corporation during the most recently completed financial year other than as described herein. A copy of the Stock Option Plan is attached as Exhibit "A" to the Corporation's Management Information Circular dated September 16, 2016 and filed on SEDAR at www.sedar.com on September 26, 2016.

The Corporation chooses to issue Options to maintain a competitive position in the marketplace. The objective and purpose of any Option reward is to encourage the Corporation's officers and directors to find an Acquisition that is in the best interests of the shareholders.

Role of Executive Officers in Compensation Decisions

With respect to the grant of Options, the Chief Executive Officer recommends to the Board the individual equity incentive awards for each executive officer and director. The Board then takes these recommendations into consideration when making final decisions on compensation for those executive officers. The Board does not use formulas for each grant, but is restricted by the policies of the Exchange and the Stock Option Plan in how many Options it may grant. Options under the Stock Option Plan are awarded based upon the level of responsibility and contribution of the individuals towards the Corporation's goals and objectives. See "*Particulars of Matters to be Acted Upon - Approval of Stock Option Plan*" for a detailed description of the Stock Option Plan and Exhibit "A" attached hereto for a copy of the Stock Option Plan. Previous grants of Options to a particular individual will be taken into account when considering future grants of Options to that particular individual.

Benefit, Contribution, Pension, Retirement, Deferred Compensation and Actuarial Plans

The Corporation currently has no defined benefit, defined contribution, pension, retirement, deferred compensation or actuarial plans for its Named Executive Officers (as defined below) or directors of the Corporation.

Termination and Change of Control Benefits

The Corporation does not have in place any contracts, agreements, plans or arrangements that provide for payments to a Named Executive Officer (as defined below) at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the company or a change in an Named Executive Officers' responsibilities.

Risks of Compensation Policies and Practices

The Corporation's compensation program is designed to provide executive officers incentives for the achievement of near-term and long-term objectives, without motivating them to take unnecessary risk. As part of its review and discussion of executive compensation, the Board noted the following facts that discourage the Corporation's executives from taking unnecessary or excessive risk:

- the Corporation's business strategy and related compensation philosophy; and
- the effective balance, in each case, between near-term and long-term focus, corporate and individual performance, and financial and non-financial performance.

Based on this review, the Board believes that the Corporation's total executive compensation program does not encourage executive officers to take unnecessary or excessive risk.

Financial Instruments

The Corporation has not implemented any policies which restrict its executive officers and directors from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the executive officer or director.

Share-Based and Non-Equity Incentive Plan Compensation

The Corporation has not granted any share-based awards, nor has it provided any awards pursuant to a non-equity incentive plan at any time within the past three years nor or any such awards outstanding.

Compensation Governance

For a discussion on policies and practices by the Board to determine the compensation of the Corporation's directors and executive officers, see "*Statement of Executive Compensation – Overview and Objectives of Compensation Program*".

Compensation of Consultants or Advisors

During the financial years ended June 30, 2018 and June 30, 2019, the Board did not retain an independent compensation consultant or advisor to assist in determining the compensation for the Corporation's directors and executive officers.

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), sets out a series of guidelines for effective corporate governance. The guidelines address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees, and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted. The following is the Corporation’s required annual disclosure of its corporate governance practices in accordance with Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)*.

In establishing its corporate governance practices, the Board has been guided by applicable Canadian securities legislation and the guidelines of the Exchange for effective corporate governance, including National Policy 58-201 – *Corporate Governance Guidelines*. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interests of its Shareholders, but that it also promotes effective decision making at the Board level.

Board of Directors

The Board is currently made up of three members, of which the Board considers both Demetrius Pohl and Michael Basha independent as such term is defined by NI 58-101. The Board considers that Richard A. Graham is not independent as he is the President and Chief Executive Officer of the Corporation. The Board approves all significant decisions that affect the Corporation before they are implemented, and the Board supervises their implementation and reviews the results.

The Board is actively involved in the Corporation’s strategic planning process. The Board discusses and reviews all materials relating to strategic and operating plans with management. The Board is responsible for reviewing and approving strategic and operating plans and budgets. Management must seek the Board’s approval for any transaction that would have a significant impact on the strategic plan.

The Board is also responsible for selecting the President and appointing senior management and for monitoring their performance. The Board delegates to management responsibility for, among other things, meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Corporation’s business, evaluating new business opportunities and complying with applicable regulatory requirements.

The Board periodically reviews the Corporation’s business and implementation of appropriate systems to manage any associated risks, communications with investors and the financial community and the integrity of the Corporation’s internal control and management information systems. The Board also monitors the Corporation’s compliance with its timely disclosure obligations and reviews material disclosure documents prior to distribution.

Other Public Company Directorships

| <u>Name of Director</u> | <u>Name of Reporting Issuer</u> | <u>Exchange</u> |
|-------------------------|---------------------------------|-----------------|
| Richard A. Graham | Quendale Capital Corp. | TSXV |
| Michael Basha | Aurion Resources Ltd. | TSXV |

Orientation and Continuing Education of Board Members

The Corporation does not currently have any formal orientation and education programs for new directors as the changes in Board membership have been limited. The Board briefs all new directors on the corporate policies of the Corporation and other relevant corporate and business information. If there is a change in the number of directors required by the Corporation, this policy will be reviewed.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors pursuant to corporate legislation and the common law, and the conflict of interest provisions under corporate legislation which restricts an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation. The Board has also adopted a whistleblower protection policy with respect to the confidential and anonymous reporting of complaints and irregularities.

Nomination of Directors

The Board as a whole remains responsible for nominating new members of the Board and assessing members of the Board on an on-going basis. If it becomes necessary, a nomination committee will be created which in turn will develop relevant criteria for suitable candidates including the independence of the individual, financial acumen and availability to devote sufficient time to the duties of the Board.

Compensation

For a discussion on the process by which the Board determines compensation for the directors and executive officers, see "*Statement of Executive Compensation – Compensation Discussion and Analysis*".

Other Board Committees

The only standing committee of the Board is the audit committee of the Corporation (the "**Audit Committee**"). For further information regarding the Audit Committee, see the description under the heading "*Audit Committee Disclosure*".

Assessments of Directors, the Board and Board Committees

To date, given the small size of the Board, the Board has not found it necessary to institute any formal process in order to satisfy itself that the Board, its committees and its individual directors are performing effectively.
